

# JoJo - Disaster

Tom: G  
Intro: 2x:

Em C G D  
Trying not to pretend that you wont happen again and again  
like that  
Em C G D  
Never thought it would end, but you got into my head and my  
head like that  
Em C G  
You made me happy baby, but love was crazy so amazing  
D Em  
But it's changing, rearranging  
C G D  
I don't think I can take anymore

Refrão:  
C G  
Cuz the walls burned up when our love fell down  
Em D  
And it turned into whatever now were saying never  
C G  
Feel the fire cuz it's all around  
Em D  
And it's burning for forever and always  
C G  
We gotta let it go be on our way  
Em D  
Look for another day, cuz it ain't the same my baby  
C G  
Watch it all fall to the ground  
Em D  
No happy ever after, just disaster  
  
( C )

Em C G  
Didn't want it this way, I only wanted to say  
D  
Is I loved you right  
Em C G  
Now you're walking away, and leaving me here to stay  
D

So foolish of me to wait for you  
Em C  
To realize all the things I gave you

Made you change you, your dreams caved too  
Em C  
When I met you, now forget you  
G D  
Don't want anymore

Refrão:  
C G  
Cuz the walls burned up when our love fell down  
Em D  
And it turned into whatever now were saying never  
C G  
Feel the fire cuz it's all around  
Em D  
And it's burning for forever and always  
C G  
We gotta let it go be on our way  
Em D  
Look for another day, cuz it ain't the same my baby  
C G  
Watch it all fall to the ground  
Em D  
No happy ever after, just disaster

Ponte:  
Em C G  
You shot the bullet you shot the bullet that killed me  
D  
Not feeling my heart beat, and now it's dying  
Em C G  
I, I've been through it, I, I've been through all the agony  
D Em C  
And now my eyes are, crying, trying no more crying,  
G D  
Lying it's just a game,  
Em C G D  
So disaster strikes and I'm alright cus my love's on his way  
  
(Refrão)
