

Jojo - Fly Away

Tom: **D**

Got to fly away **Bm G**

Got to fly away **Bm G**

Bm G D A
Since I was a little girl I knew what I wanted
Bm G D A
One day I would see the world and make my mark on it
Bm G D A
Put in time, sacrificed never thought of thinking twice
Bm G D A
Since I was a little girl I dreamed

A G
Now I'm standing with you in this terminal

Bm G A
With a ticket so far from your love

(refrão)

D
Can I have one more kiss, one more touch

A Bm
I just can't get enough of you

G D A
But I'm in a rush I got to fly away

D A
Planes waiting up for me right at gate twenty-three

Bm G
There's a doorway to my dreams

D A
I could go or I could stay

Bm G D Bm G A
Should I change my life or miss my flight?

Bm G D A
My alarm clock in the morning said you got to go now

Bm G D A
The breakfast you were calling and my heart just broke down

Bm G D A
Cause tomorrow we will be waking up separately

Bm G D
Wish I never heard that clock ring

A G
See I don't want to win if my hearts got to lose
(Don't want to win, don't want to lose)

Bm G A
So how in the world do I choose?

(refrão)

D
I just need one more kiss, one more touch

A Bm
I just can't get enough of you

G D A
But I'm in a rush I got to fly away

D A
Planes waiting up for me right at gate twenty-three

Bm G
There's a doorway to my dreams

D A
I could go or I could stay

Bm G D Bm G A
Should I change my life or miss my flight?
(Change my life or miss my flight?)

(bridge)

Bm G
How can you measure the promise of love

D A
When it's weighing against a chance that comes once

Bm G
How can I leave when I know he's the one

D A
When the dust settles he might not be here

A G
And I'm standing with you in this terminal

Bm G A
Crying my eyes out in tears

D
I just need one more kiss, one more touch

A Bm
I just can't get enough of you

G D A
But I'm in a rush I got to fly away

D A
Planes waiting up for me right at gate twenty-three

Bm G
There's a doorway to my dreams

D A
I could go or I could stay

Bm G D Bm G A
Should I change my life or miss my flight?

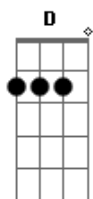

Bm G D Bm G A
Should I change my life or miss my flight?
What do I do? (change my life or miss my flight?)

Bm G
Fly away, MmmMmm

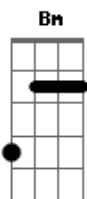

Bm G
Got to fly away

Bm G
I got to fly away
