

Jojo - Fuck Apologies

Tom: F

[Intro]

Dm C F Am 2x

Dm C F Am

Saw it in your eyes

Dm C F Am

when you said goodbye

Dm C F Am

You didn't even try,

Dm C F Am

so this time I don't care

[Pre-Refrão]

And honestly I was just about to pick up the phone Dm C F Am

And then I realized that I didn't do nothing wrong Dm C F Am

Am You would even tell two lies to prove that you were right Dm C F

Am Usually I'd go on and take the blame but not this time, not this time

Am

[Refrão]

What you want from me? Dm C F Am

I would say I'm sorry if I really meant it Dm C F Am

Fuck apologies C F Am

I would say I'm sorry if I really meant it Dm C F Am

I'm not perfect, I got pride F Am

That's not what it is this time Dm C F Am

So fuck apologies C F Am

I would say I'm sorry if I really meant it Dm C F Am

If I, if I, if I really meant it Dm C F Am

Dm C F Am

I can't help that you, Dm C F Am

feel the way you do Dm C F Am

Try not to get confused Dm C F Am

cause this time I don't care Dm C F Am

[Pre-Refrão]

And honestly I was just about to pick up the phone Dm C F Am

And then I realized that I didn't do nothing wrong Dm C F Am

Am Didn't do nothing wrong, ay

[Refrão]

What you want from me? Dm C F Am

C F Am

I would say I'm sorry if I really meant it

Dm Fuck apologies C F Am

I would say I'm sorry if I really meant it Dm C F Am

I'm not perfect, I got pride F Am

That's not what it is this time Dm C F Am

So fuck apologies C F Am

I would say I'm sorry if I really meant it Dm C F Am

If I, if I, if I really meant it Dm C F Am

[Wiz Khalifa] Dm C F Am

Okay, uh, no apologizing

Ain't no way to take the things you did back or disguise it

Always wonder what I'm doing but that's TMI

Don't know what you got until it's gone, now you realize it

When I wasn't playing smart now I'm being wise

Finally I'm moving on and I don't need your lies

And it wasn't even tough cause I can see the signs

Now you're stuck, call an Uber up if you need a ride

[Refrão] Dm C F Am

What you want from me? Dm C F Am

I would say I'm sorry if I really meant it (I don't mean it baby) Dm C F Am

Fuck apologies C F Am

I would say I'm sorry if I really meant it (I know) Dm C F Am

I'm not perfect, I got pride F Am

That's not what it is this time Dm C F Am

So fuck apologies C F Am

I would say I'm sorry if I really meant it Dm C F Am

What you want from me? C F Am
