Tom: F

Intro]

Dm C F Am 2x

Dm C F Am

Saw it in your eyes

Dm C F Am

when you said goodbye

Dm C F Am

You didn't even try,

Dm C F Am

so this time I don't care

[Pre-Refrão]

And honestly I was just about to pick up the phone Am

And then I realized that I didn't do nothing wrong Am

You would even tell two lies to prove that you were right F

Am

Usually I'd go on and take the blame but not this time, not this time F

Am

[Refrão]

What you want from me? Dm C F Am

I would say I'm sorry if I really meant it Am

Fuck apologies Dm C F Am

I would say I'm sorry if I really meant it Am

I'm not perfect, I got pride Dm C F Am

That's not what it is this time Dm C F Am

So fuck apologies Dm C F Am

I would say I'm sorry if I really meant it Am

If I, if I, if I really meant it Dm C F Am

I can't help that you, Dm C F Am

feel the way you do Dm C F Am

Try not to get confused Dm C F Am

Okay, uh, no apologizing Dm C F Am

Ain't no way to take the things you did back or disguise it

Always wonder what I'm doing but that's TMI

Now you're stuck, call an Uber up if you need a ride
