Mmmmmmmmmmm

I think I could like you

Already do

Feelings can grow but

Bm

They can go away too

Gb

You're taking my hand

Gbm7

Looking into my eyes

B

Don't be in a rush too

Bm

Give me tonight

Gb

I feel something happening

Gb7

Could this be a spark?

B

To satisfy me baby

Db

Gotta satisfy my heart

B Gb Db
Do you know how to touch a girl?

B Gb
If you want me so much

Db Ebm
First I have to know

B Gb
Are you thoughtful and kind?

Db Ebm
Do you care what's on my mind?

B Gb Db
Or am I just for show?

You'll go far in this world

But I keep holding back

Cuz I can't seem to tell

If you're fiction or fact

Show me you can laugh

Show me you can cry

Show me who you really are

Deep down inside

Do you feel something happening

Could this be for real?

I don't know right now
