

JoJo - I Can Only

```
Tom: B
I learned the hard way
On how to let go
So here we go
Feel the adrenaline takin' control
Get high, no low
This moment of truth
Hidden under my tongue
No longer numb
    Ahm
Running like rain when I thought it dried up
Can't get enough
I'm climbing up these walls
I'm invincible
Abm
Even if I fall
I fall on me
Got myself alive
 Gb
Up here in the sky
My ecstasy
[Refrão]
I can only drink what I wanna drink
I can only say what I wanna say
I can only think what I wanna think
Don't hate me, don't hate
I can only love who I wanna love
I can only smoke what I wanna smoke
I can only fuck who I wanna fuck
Don't hate me, don't hate
I-I can only
Gb
I-I can only
Abm
I-I can only
Don't hate me, don't hate
All that you gettin' is all that you see
I'm cool with it
Nothing else ever made much sense to me
I'm not doing it
```
