

JoJo - Marvins Room

Tom: C I have been up three days Adderall and redbull This call is a mistake There's something strong in this water bottle I hear you got a new chick But that's a little Barbie doll I feel so pathetic But you still haven't heard it all Fuck that new girl that you like so bad She's not crazy like me I bet you like that I said fuck that new girl that's been in your bed And when you're in her I know I'm in your head I'm just saying you can do better Always turned you out every time we were together Once you had the best you can't do better Baby I'm the best so you can't do better

Acordes

I ran into your homeboys They're all fucking idiots You're not even my boyfriend But you're tripping because I'm in the club Yeah that's right I'm dancing And something cool is in my cup I'ma send a sexy picture To remind you what you've given up Refrão: Fuck that new girl that you like so bad She's not crazy like me I bet you like that I said fuck that new girl that's been in your bed And when you're in her I know I'm in your head (F) I mean, I'm just saying you can do better Always turned you out every time we were together Once you had the best boy, you can't do better Baby I'm the best so you can't do better (F G Am C) (3x)
