Tom: Bb
(com acordes na forma de G )
Capostraste na 3º casa
Intro: Em G Am G
I said wait 'til I get my money right
                     Em
Then you can't tell me nothin', right?
Eighth grade, I feel depressed as shit
                     Em
Cuz my heart is in the future and I know where I belong
It just takes time
Fast forward, now I'm twenty-two
                    Em
                                   D
Half a million after taxes just to make a couple songs and I
don't mind
Eighth grade I feel depressed as shit
I'll be a fuckin' Warhol with this beat pad, let me paint and
hone my craft
It just takes time
Fast forward now I'm twenty two
I don't mind
```

```
Pause button on the weak shit
You sound like ev'ry body else motherfocker
Pause button on the weak shit
You sound like ev'ry body else motherfocker
Nineteen, I'm feeling scared as shit
                       Em
Cuz I'm dropping out of college from an album made by Ye
I'm out my mind
Em
Fast forward, now I'm twenty-two
           Am
                      Em
And we just sold out S. O. B. 's

Look, son your future came today
As my dad cries
Em
Nineteen, I'm feeling scared as shit
           \mathsf{Am}
                          Em
I just got fired, fuck my boss cuz all my bills have yet been
