

Jon Bellion - Overwhelming

Tom: C

C
Yeah, I think I got one
F
Her soul is presidential like Barack, son
G
Yeah, she call me Goose, I call her Maverick cause of Top Gun
F
They say we annoying, they just jealous cause we got love
C
Yeah, I got a hot one
F
She don't want no problem if there's not one
G
But people come around and try some stupid shit to start one
F
She'll give you the people's fuckin' elbow like The Rock, son
G
There is a potion in your lips, so sweet, I'd die
C
There is an ocean in your hips, so deep, I'd dive
C
I hear an opus when we kiss that completes my life
C
Yeah, I think I got one
N.C.
And every single little thing about her is so

C
Overwhelming
F
Everything about you is so overwhelming
F
When I think about you, it gets oh, oh, over - whelming
G
Cause everything about you is so overwhelming
F
Come over here and overwhelm me
C
Hey, do I impress you?
F
I really like the way you rock a sweatsuit
C
When you working out and I'm just watching how your legs move
F
They would think that you was, like, developed in a test tube
C
You deserve a theme song
F
You could be the shoulder that I lean on

C
Love it when you're late for work and try to slip your jeans on
F
You be bumping Chili Peppers all up in your Nissan
G
There is a potion in your lips, so sweet, I'd die
C
There is an ocean in your hips, so deep, I'd dive
C
I hear an opus when we kiss that completes my life
C
Yeah, I think I got one
N.C.
And every single little thing about her is so
C
Overwhelming
F
Everything about you is so overwhelming
F
When I think about you, it gets oh, oh, over - whelming
C
Cause everything about you is so overwhelming
F
Come over here and overwhelm me
C
You write checks that my ass can't cash
C
I bit a little more than I can chew
C
I bit a little more than I can chew
C
You write checks that my ass can't cash
C
I bit a little more than I can chew
C
I bit a little more than I can chew
C
Cause everything about you is so
C
Overwhelming
F
Everything about you is so overwhelming
F
When I think about you, it gets oh, oh, over - whelming
C
Cause everything about you is so overwhelming
F
Come over here and overwhelm me
