

Jon Bonturi - Milk Shakes

tom:

Intro: A E D Dbm

I saw your eyes reflecting in mine

I saw your smile

And lost my mind

Then we went somewhere else

Have some milk shakes

Then I felt

That I love

I love you with all my heart

Till I die

Hope you don't mind

That I love

I love you with all my heart

Till I die

Hope you don't mind

(I hope you don't mind)

[Solo] A E D Dbm

I don't wanna fall in love

I make my oath

I'll lost my mind

But you treat me so well

Like no one else

I fell in love

I fell in love

I fell in love

I fell in love

I love

I love you with all my heart

Till I die

Hope you don't mind

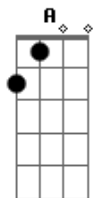

I love

I love you with all my heart

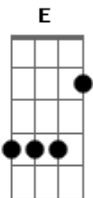

Till I die

Hope you don't mind
