Pieces that are showing lead to the unknowing  
Pieces of our lives taking up our time  
Was it always how it is? Did history insist  
that everything we'd need would be everything we see?

(Chorus)

**Ab** You'll never lose  
Never lose before we go, we all should know that  
**Ab** you'll never lose  
Never lose before we go, we all should know that  
Carousel's around me and no one here has found me  
I don't think you saw the parts that only are  
I'm leaning on my instincts guide me to the meaning

Everything you said filling up my head
