

Jon Pardi - Ain't Always The Cowboy

tom:

Intro: A E Gbm D

[Primeira Parte]

Her hands wrapped up in mine
Tears rollin' out of her eyes
No messin' with a made-up mind
Sun settin' on goodbye
Yeah, it's hard to believe
It wasn't me tryin' to leave this time
It ain't always the cowboy
That ain't got a lot of hang around
Ain't got no settle down in their boots
Gone's just what they do
That restless running
Searching for something
Leaving love in the dust of a midnight Chevrolet
It ain't always the cowboy that rides away

[Segunda Parte]

I've never seen over from this side
Never heard lonely get this quiet
Still, I can't keep from smiling
'Cause damn, that girl can fly

[Refrão]

It ain't always the cowboy
That ain't got a lot of hang around
Ain't got no settle down in their boots
Gone's just what they do
That restless running
Searching for something
Leaving love in the dust of a midnight Chevrolet
It ain't always the cowboy that rides away
(D A E)

[Ponte]

A tumbleweed heart chasin' that wind
Goin' too far, wherever that is
It ain't always the cowboy
That ain't got a lot of hang around
Ain't got no settle down in their boots
Gone's just what they do
That restless running
Searching for something
Leaving love in the dust of a midnight Chevrolet
It ain't always the cowboy that rides away
Rides away
It ain't always the cowboy
