

# Jonas Brothers - Burnin' Up

tom:

[Primeira Parte]

I'm hot  
You're cold  
You go around  
Like you know  
Who I am  
But you don't  
You got me on my toes

[Refrão]

I'm slipping into the lava  
And I'm trying to keep from going under  
Baby  
You turn the temperature hotter  
Cause' I'm burning up  
Burning up  
For you baby

[Segunda Parte]

I fell  
So fast  
can't hold myself  
back  
High heels (High heels)  
Red dress (Red dress)  
All by yourself  
Gotta catch my breath

[Refrão]

I'm slipping into the lava  
And I'm trying to keep from going under  
Baby  
You turn the temperature hotter  
Cause' I'm burning up  
Burning up  
For you baby

[Ponte]

Walk in the room  
All I can see is you  
Staring me down  
I know you feel it too

[Refrão]

I'm slipping into the lava  
And I'm trying to keep from going under  
Baby  
You turn the temperature hotter  
cause' I'm burning up  
Burning up  
For you baby

[Refrão]

I'm slipping into the lava  
And I'm trying to keep from going under  
Baby  
You turn the temperature hotter  
Cause' I'm burning up  
Burning up  
For you baby

It's burning up in this place tonight  
The crowd is singing loud (And we're feeling right)  
Get up and dance (Don't try to fight it)  
Big Rob For Real, (And that's no lie)  
So drop it low (And touch your toes)  
Keep from burning up (More and more)  
I got JB with me, (Laying it down)  
C'mon boys, bring the chorus around

[Refrão]

I'm slipping into the lava  
And I'm trying to keep from going under  
Baby  
You turn the temperature hotter  
Cause' I'm burning up  
Burning up  
For you baby  
Burning up, Burning up for you baby
