

Jonas Brothers - Dear God

Tom: C

Dear God, I hate to be a bother but I gotta say
 This world is getting crazier with every day
 I hope You hear me out now as I stop and pray
 Dear God, people take Your words and try to twist 'em round
 I know you can't be happy with what's going down
 Searching for some answers but they can't be found
 Can You help me out, Dear God
 [Ohh...]
 Dear God, just the other night I heard somebody say,
 "What's the use believin' in You anyway?"
 I guess it was just heartache talking through the pain
 It's a cryin' shame, Dear God
 I know You're disappointed in the things we've done
 Can't they see the truth that they're all running from
 Tryin' to preach Your message with a loaded gun

What they thinkin' of? Dear God
 [Ohhh... Oooo]
 Everybody's searchin' for an easy solution, yeah
 they can't see beyond the selfish world they're livin' in
 Your words of love get lost in all the confusion, yes they do
 But I still believe, someday You're gonna speak to me
 Dear God
 I know You've got a million other calls to take
 You're dealin' with a lot of things that just won't wait
 But there is one request that I just gotta make
 Dear God
 Won't You send a sign down just to ease my doubt
 I'm tryin' to hear You but the silence is so loud
 I think I see a rainbow from behind the clouds
 And I hear You now, Dear God
 (end on D)
