Intro: **Bm A G A**

Bm
Mr. Misdemeanor

A
Call me up and say you're needin' my love

G
Now you say you're leaving, oh yeah

A
Like you never even needed my love

Bm
Then I don't even see you (Ooh ooh, ooh ooh)

A
Not even for a weekend or a month

G
So much you left between us (Ooh ooh, ooh ooh)

A
But you don't ever think about us (Ooh)

Bm
Why do, why do, why do, why do I want you

A
Even though you make it hard and I don't want to?

G
And now I'm out here catching feelings like I want you

Em7 Gbm7
But all you ever do is look a-, look away

Bm A
Every single time, I keep on coming back to you

G A
You're always on my mind, it doesn't matter what I do, I do

Bm A
Every single time, I keep on coming back to you

G
But keep me on the line, if loving you's a crime

A
Then I won't keep my love locked down for you

Bm
Every single time

Bm
Yeah, I remember when we met

A
Like it was yesterday in Amsterdam

G
(Smoke it up) We can walk through every season

No good at getting even

The way you play, the way you play
