

Jonas Brothers - Introducing Me

```
And Superheroes
Intro: 2x:
                                                               And checks with lots of zeros on 'em
I'm, I'm good at wasting time
                                                                I love the sound
                                                                Of violins
I think lyrics need to rhyme
                                                                 Dh
And you're not asking
                                                                And makin' someone
But I'm tryin' to grow a mustache
                                                                Smi-e-i-e-ile

                                                                 R
I eat cheese
                                                                If you wanna know here it goes gonna tell you theres

                                                                A part of me for show if we're close gonna let you see
But only on pizza, please
                                                                 Ahm
And sometimes on a homemade quesadilla
                                                                Everything
Otherwise it smells like feet to me
                                                                But Remember that you asked for it
And I, I really like it when the moon looks like a toenail
                                                                I'm tryin' t'do my best to impress but it's easier
And I love it when you say
                                                                to let you take a guess at the rest but you wanna hear what
                                                                 Ahm
                                                                Lives in my brain,
If you wanna know here it goes gonna tell you theres
                                                                My heart well you asked for it
A part of me for show if we're close gonna let you see
                                                                 Dbm
                                                                For your Perusing

Everything
                                                                At times Confusing
But Remember that you asked for it
                                                                 Db
                                                                Possibly Amusing
I'm tryin' t'do my best to impress but it's easier
                                                                Intro: ducing Me
To let you take a guess at the rest but you wanna hear what
                                                               Well you probably know more than you ever wanted too
 Ahm
Lives in my brain,
                                                                So be careful when you ask next ti-e-i-e-ime
My heart well you asked for it
                                                                So...
For your Perusing
                                                                If you wanna know here it goes gonna tell you theres
                                                                A part of me for show if we're close gonna let you see
At times Confusing

Slightly Amusing
                                                                Everything
Intro: ducing Me
                                                                But Remember that you asked for it
Do Do, Do Do Do Do
                                                                I'm tryin' t'do my best to impress but it's easier to
Do D'Do, Do Do Do Do
                                                                let you take a guess at the rest but you wanna hear what
 Abm
                                                                 Abm
                                                               Lives in my brain,
La Da Da Da,
La Da Da Da Da Da Da
                                                                My heart well you asked for it
Da
                                                                 Dbm
                                                                For your Perusing
I never trust a dog to watch my food
                                                               At times Confusing
And I like to use the word
                                                                Hopefully Amusing
Dude, as a noun,
                                                                Intro: ducing Me
Or an adverb, Or an adjective
                                                               Do Do, Do Do Do Do
And I, I Never really been into cars
                                                                Do D'Do, Do Do Do Do
                                                                 Abm
I like really cool guitars
                                                                Do Do Do Do
