

# Jonas Brothers - Kids Of Future

Tom: C

We're the kids of the future

we're the kids, we're the kids

we're the kids of the future

(Verso 1 - Abafado)

standing on a dirty old roof top

down below the cars in the city go rushing by

i sit here alone and i wonder why

come on Lewis keep moving forward

Hold your head up high theres no time for looking down

you will not believe where we're going now

Here we go, let me remind you

look ahead, the past is behind you

We're the kids of the future (whoooooaa)

We're the kids of the future (whoooooaa)

Everybody live cause the future, its now

bright lights, boy look around you

your imagination is working overtime  
the world that you dreamt of has now arrived

hot shot its the greatest adventure

is where the family you searched for comes alive  
so come meet the Robinsons

looking for a place you belong to

looking for a family that wants you

We're the kids of the future (whoooooaa)

We're the kids of the future (whoooooaa)

Everybody live cause the future, its now

na na na na na na na

na na na na na na na

na na na na na na na (sing!)

na na na na na na na

everyday have fun me and Wilber

so happy to be here with the Robinsons

i finally feel like i can be someone

outside a new day is dawning

outside the daylight is sprawling everywhere

i know that its right because

we'll save the future together

this family is forever

We're the kids of the future (whoooooaa)

We're the kids of the future (whoooooaa)

Everybody live cause the future, its now

na na na na na na na

na na na na na na na

na na na na na na na (sing!)

na na na na na na na

we're the kids, we're the kids \  
we're the kids of the future / - 4X

## Acordes
