

Jonas Brothers - Kung-fu Grip

Tom: **D**
Intro:

Verse 1:

She's got a smile
That I die for
Everyone knows that I'm
A prisoner of war
For her
Yeah

Chorus:

Sometimes I wish
I had a kung-fu grip
I'd never let her slip away
She'd be my girl
I really wish she knew
What I feel is true
She'd be my darling
and I would be her hero too

Verse 2:

I'm so in love with her
I don't care who knows that I'm
Ready to fight
Ready to go

Just like a GI Joe

Chorus:

Sometimes I wish
I had a kung-fu grip
I'd never let her slip away
She'd be my girl
I really wish she knew
What I feel is true
She would be my darling
And I would be her hero too

Chorus:

Sometimes I wish
I had a kung-fu grip
I'd never let her slip away
She'd be my girl
I really wish she knew
What I feel is true
She would be my darling
And I would be her hero too

She'd be my darling
And I would be her hero too
She'd be my darling
And I would be her hero too
