[Primeira Parte]

**Bbm Gb**  
Wanna ride with you  
**Db Ab**  
Till the wheels fall off

Until we're running out of road  
**Bbm Gb**  
Wanna dance with you  
**Db Ab**  
Till the music stops

Until we got no place to go  
[Pré-Refrão]  
Everybody needs a  
**Bbm Gb**  
Place to hide  
This don't have to be  
**Db Ab**  
A bumpy ride

I think we should  
**Bbm Gb**  
Be alone tonight

Because we don't  
**Db Ab**  
Have to be lonely  
Everybody needs  
**Bbm Gb**  
Some company  
Let's talk about it  
**Db Ab**  
Over one more drink

I think you should  
**Bbm Gb**  
Be alone with me

Because we don't
