 No other buttons she can push
   Am Em
 One second she's Miss Sentimental
         Am
 Then she's afraid she's said too much
Opposites attract and we're the livin' proof of this
           C
                        D
But I keep on comin' back like a magnet
             G Am
'Cause when you love her, no matter the fight
           G Am Em D
You know she's always right and it's alright

And they say love can hurt, but seein' her smile
           G Am Em D
Will get you every time, yeah, every time
G Am Em C
Because you love her, la-la-lala-
G Am Em D
Love her, yeah
I put my selfish ways in boxes

And shipped 'em back to where they came

Am Em C
      G Am
We never let it get close to bein' toxic
              Am Em D
And I promise I'll never walk away
Opposites attract and we're the livin' proof of this
