                                                                Colder than a snowflake on me (ooh)
Intro:
                                                                                                             Ghm
                                                                                                                       Gh7
                                                                Exactly what I prayed for, crushin' like a baseball (woah woah
                                                                woah)
(Jersey) Supernatural, ooh, you're that miracle
                                                                 Bm
                                                                Demons better watch out, angel on the clock now
                                                                Heaven let the rain drop down
                                                                Doo-do-doo, doo-do-doo, doo-do-doo, you are my
Walkin' on a hot coal, never wore a rhinestone
                                                                (Miracle)
But you really suit my body (woah)
                                                     Gb7
                                                                (Miracle)
                                          Gbm
It's like I got my hands on, ridin' in a sandstorm (woah,
woah, woah)
                                                                You're something like a full blown (miracle)
Steamin' like a side street, deep up in July heat
                                                                The place that your hands go (miracle)
                                                                The rock for me to stand on (hey)
Make a grown man cry out
                                        Gbm
                                                Gb7
Doo-do-doo, doo-do-doo, doo-do-doo, you are my
                                                                Supernatural, ooh, you're that (miracle)
