

# Jonas Brothers - Neon

Tom: D

Stars fade  
 Hearts break  
 Fair trade  
 Is it ever even  
 Don't wait  
 To stay  
 Awake  
 When you realize  
 That time just keeps on moving  
 While you're standing here still living in the dark  
 So neon, neon  
 Burn up the sky  
 Just like a fantasy where all I can see is  
 Neon, neon  
 Show me your light  
 I'm running out of time  
 So give me a sign  
 Neon, neon, neon  
 Give me a sign, neon, neon, neon  
 Give me a sign, neon  
 Sun set  
 Street red  
 Lights they  
 Always call my name  
 And I  
 Want more time  
 Won't kill me

'Cause the time just keeps on moving  
 While I'm standing here still living in the dark  
 So neon, neon  
 Burn up the sky  
 Just like a fantasy where all I can see is  
 Neon, neon  
 Show me your light  
 I'm running out of time  
 So give me a sign  
 Neon, neon, neon  
 Give me a sign, neon, neon, neon  
 Give me a sign, neon  
 I've been looking for the reason  
 What's the answer or the meaning of it all?  
 All  
 Hope tonight you're gonna show me  
 Just surround me 'til I'm glowing in the dark  
 Yeah Oh neon, neon  
 Burn up the sky  
 Just like a fantasy where all I can see is  
 Neon, neon  
 Show me your light  
 I'm running out of time  
 So give me a sign  
 Neon, neon, neon  
 Give me a sign, neon, neon, neon  
 I'm running out of time  
 So give me a sign neon

## Acordes
