

# Jonas Brothers - Paranoid

Tom: **D**

Intro: **A G D**  
**A G D**

I make the most of all this stress

I try to live without regrets

But I'm about to break a sweat

I'm freakin' out

It's like a poison in my brain

It's like a fog that blurs the sane

It's like a vine you can't untangle

I'm freakin' out

Everytime I turn around

Something don't feel right

Just might be paranoid

I'm avoiding the lines cause they just might split

Can someone stop the noise?

I don't know what it is

but it just don't fit

I'm paranoid

Yeah

I take the necessary steps

to get some air in to my chest

I'm taking all the doctor's meds

I'm still freaking out

That's why my ex is still my ex

I never trust a word she says

I'm running all the background checks

And she's freaking out

Everytime I turn around

Something's just not right

Just might be paranoid

I'm avoiding the lines cause they just might split

Can someone stop the noise?

I don't know what it is

but it just don't fit

Consider me destroyed

I don't know how to act cause I lost my head

I must be paranoid

I never thought it would come to this

I'm paranoid

Stuck in a room of staring faces

I'm caught in a nightmare

Can't wake up

If you hear my cry

Running through the streets

I'm about to freak

Come and rescue me

Just might be paranoid

I'm avoiding the lines cause they just might split

Can someone stop the noise?

I don't know what it is

But it just don't fit

Consider me destroyed

I don't know how to act cause I lost my head

I must be paranoid

I never thought it would come to this

I'm paranoid
