

# Jonas Brothers - Things Will Never Be The Same

Tom: C

Yeah! Yea-aah! eh eh Oh, oh (x2)

Am G C F  
Try to fall asleep tonight  
Am Bm C F  
I lay awake and dream of a life  
Where we thought we could make it Am  
Bm C F  
We wasted all our time  
Am Bm C F  
And I wouldn't change a single thing  
G  
I know...

Refrão:

F C G  
We get closer and closer again  
But we're falling apart  
F C G  
I'm losing, you're losing a friend  
Am F  
It's always over before we start  
C  
You'r asking for love  
G  
And I wish that it could be  
Am  
The way it was  
F C G  
Well, it's over there's no one to blame  
C Am Bm C F  
It will never be the same

Verso 2:

Am G C F  
Two wrongs don't make it right  
Am Bm C F  
Two hearts are on the line  
Am  
Maybe we could have made it  
Bm C F  
If we waited and time is right  
Am Bm  
In the end I'm a friend  
C F  
But that's all I am, to you
