Jonas Brothers - Year 3000

Tom: C

    (C, G, A e F) A música vai se repetindo!
One day when I came home at lunchtime I heard a funny
noise
Whet out to the back yard to find out if it was
One of those rowdy boys
Stood there with my neighbor called Peter And a flux
capacitor
C, G F
He told me he built a time machine
Like the one in the film I've seen
Yeah yeah ..he said
(Depois volta ao normal)

(Chorus)
I've been to the year three thousand
Not much has changed but they lived under water
And your great great great grand daughter
Is doing fine

He took me to the future in the flux thing
And I saw everything
Boybands and another one and another

And another one
Girls there with round hair like star wars Float above
the floor

We drove around in a time machine
Like the one in the film I've seen
Yeah yeah..he said...

(Chorus)
I've been to the year three thousand
Not much has changed but they lived under water
And your great great great granddaughter
Is doing fine

(Bridge)
