

# Jonathan Ogden - Alright

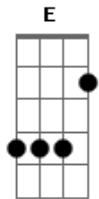

tom:

Intro: Gbm Abm A7 Abm

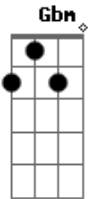

Gbm Abm  
You're my faithful friend  
A7 Abm  
When I feel like I'm on my own  
Gbm Abm  
You remind my heart  
A7 Abm  
It's darkest right before the dawn

Gbm Abm  
'Cause even in the dead of night  
A7 Abm  
When darkness is on every side  
Gbm Abm  
You're telling me to lift my eyes  
A7 Abm  
It's gonna be alright, alright  
Gbm Abm  
Suddenly a light will shine  
A7 Abm  
As we're waiting for the morning light  
Gbm Abm  
As steady as a new sunrise  
A7 Abm
