

# Jonathan Ogden - Far Away

Tom: G

Father God, let your kingdom come

Sovereign Lord, let your will be done

I trust you more than anyone

Your faithfulness like the rising sun

Spirit come have your way in me

Give me ears to hear, give me eyes to see

Show me who I'm supposed to be

'Cause without you I am incomplete

I find you, I find you

When I seek you with my whole heart

Seek you with my whole heart

I find you, I find you

When I seek you with my whole heart

Seek you with my whole heart

And I find that You have never left my side

Even when I felt so far away

You were always there with me

I can't be silent

When I think about your faithfulness to me

'Cause You're not far away  
You are with me here and now

And there's nothing that can separate me

I cannot be separated

From your love

So I come boldly to the throne of grace

In worship

'Cause You're not far away  
You are with me here and now

And there's nothing that can separate me

I cannot be separated

From your love

So I come boldly to the throne of grace

To seek your face, my God

My God

Father God, let your kingdom come

Sovereign Lord, let your will be done

I trust you more than anyone

Your faithfulness like the rising sun

I find you, I find you

When I seek you with my whole heart

Seek you with my whole heart

I find you, I find you

When I seek you with my whole heart

Seek you with my whole heart
