

Jonathan Ogden - Miles & Miles

tom:

F

Holy One

Bb Bb

Your love is like a burning fire

Am

So free and so wild

Gm

It purifies me

Bb Bb

A love so strong

Am

It chases down this heart of mine

Gm

No matter how far

Am

I could run for miles and miles

Bb

But there's nowhere to hide and no escape

Gm

No matter how far I run away

Am

You still love me

Bb

And nothing in life can separate

Gm

No depth, no height can change the way

Am

You still love me

Bb Bb Am

So how can I respond to such a love divine?

Gm

So free and so wild

Am

I cannot repay this love

Bb Bb

Though I try

Am

I still fall short a thousand times

Gm

But you call me your child

Am

And you keep pouring out your love, oh

Bb

But there's nowhere to hide and no escape

Gm

No matter how far I run away

Am

You still love me

Bb

And nothing in life can separate

Gm

No depth, no height can change the way

Am

You still love me
