

Jonathan Rhys Meyers - Elgar Something Inside

tom:

Intro: **Em** **C**

[Primeira Parte]

Em
When the one thing you're looking for
G
Is nowhere to be found
Em
And you back stepping all of your moves
G
Trying to figure it out
Am
You wanna reach out, You wanna give in
C
Your head's wrapped around what's around the next bend
Am
You wish you could find something warm
C
'Cause you're shivering cold

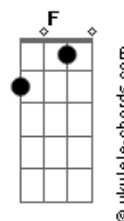

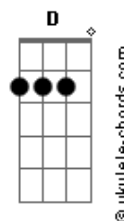

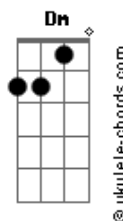

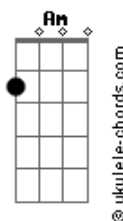

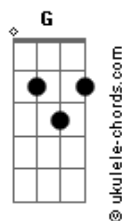

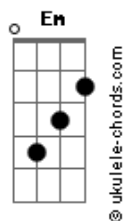

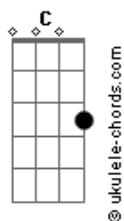

[Refrão]

G
It's the first thing you see as you open your eyes
Dm
The last thing you say as your saying goodbye
C **Am**
Something inside you is crying and driving you on
G
It's the first thing you see as you open your eyes
Dm
The last thing you say as your saying goodbye
C **Am**
Something inside you is crying and driving you on
C
'Cause if you hadn't found me
Am
I would have found you
G D Em G C
I would have found you
(**Em G**)

[Segunda Parte]

Em
So long you've been running in circles
G
'Round what's at stake
Em

Acordes

But now the times come for your feet to stand still in one place

Am
You wanna reach out, you wanna give in
C
Your head's wrapped around what's around the next bend
Am
You wish you could find something warm
C
'Cause you're shivering cold

[Refrão]

G
It's the first thing you see as you open your eyes
Dm
The last thing you say as your saying goodbye
C **Am**
Something inside you is crying and driving you on
G
It's the first thing you see as you open your eyes
Dm
The last thing you say as your saying goodbye
C **Am**
Something inside you is crying and driving you on
C
'Cause if you hadn't found me

Am
I would have found you
G D Em G C
I would have found you

[Ponte]

Em **D**
It was your first taste of love
C **F**
Living upon what you had

[Refrão]

G
It's the first thing you see as you open your eyes
Dm
The last thing you say as your saying goodbye
C **Am**
Something inside you is crying and driving you on
C
'Cause if you hadn't found me

Am
I would have found you
G D Em G C
I would have found you

G
