

Jonathan Richman - Let Her Go Into The Darkness

tom:

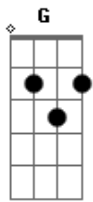

Intro: Gm Cm Gm Dm

Well she's back with her old boyfriend
He don't challenge her. He don't contend with her
And she don't answer the cards you send

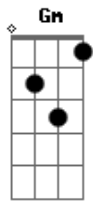

Now you're jealous of the time he spends with her

Just let her go into the darkness
Let her learn from all the things there
Just let her go into the darkness
Let her go, let her go, let her go.
