Dm F C Bb Dm F  
This is just an imaginary conversation I had with myself

Last night around 12 o'clock

So hard to listen to that and just admit the truth

Gm Dm F  
But she gone, get it through your head

C  
It's only the first part

Gm F C  
But she is gone and you will never guess

What is the worst part

Gm Dm  
It's when the good things happen to me

F C  
I used to call you up immediately

Gm Dm  
I got so many good things coming my way

F C  
But there is no one to call today

Gm Dm  
It's when the good things happen to me

F C  
I used to take a picture so you could see

Gm Dm  
And that's the first thing I used to do
