The bombs have dropped and they're falling on my face

But I won't stop till it's done.

Fire and glow will be fading out soon,
'cause my conscience broke and my heart's out of tune,
But I won't stop till it's done,
No, I won't stop till it's done.

Bombs away, bombs away to my heart, to my heart.

The devil came knocking at the door of my dreams,

I knew it was wrong, but my mind felt so free,
Now I won't stop till it's done
no, I won't stop till it's done.

Rather left me and myself, is exploding me,
Fire is clinging on me as I'm running out,
Searching the heavens and earth for the end of me
So here I am, here I am.
Like the fools, 'cause my heart's gonna blow.

Bombs away, bombs away to my heart, to my heart.
Bombs away, bombs away to my heart, to my heart.
