

Jonga Lima - Solo Los Locos

Tom: C	
A normalidade é uma doença	Del mundo
Capitalista	Del mundo
Que nos afasta um dos outros	Falo de loucura
Que nos corrompe o prazer	Como forma de vida lúdica,
	Criativa
A caretice das pessoas	Política da alegria
Anda cada vez	Sem fronteiras pro prazer
Mais chata de se conviver	
Governantes e doutores	A tua loucura
Professores ditadores	É o que há de mais bonito
Da ciência e do saber	Solo los locos cuentan
	La verdadera historia
Solo los locos cuentan	Del mundo
La verdadera historia	Del mundo
