tom:

G

(Cadd9 D Am)

Em Cadd9 G
And back to these cold shitty days in Portland
D Em
Wishing I'd never come across your face
Cadd9 G
Plagued by the memories of things unspoken
D Em
Scared by thoughts of your father
Cadd9 G
Made me look over the flaws of your nature
D Em
Laying on your back became your only escape
Cadd9 G
You feel so old, used, but not yet broken
D Cadd9
Enough to thing you have it all together
D
I never planned to carry your burdens
Cadd9 D
But this child was a mistake

[Refrão]

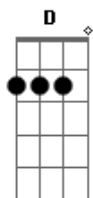

G D Am
I knew from the moment i stepped off that plane
