Intro: E A E Db A

[Primeira Parte]

E A Oh, girl, there's no need now to hesitate
 E Db A 'Cause I know what's running through your mind
 E A And the way I know is because I'm feeling the same way
 E A My heart's been feeling it for a while

[Pré-Refrão]

B A We've been waiting long enough
 A For something that feels so right
 B A Why don't you and I turn it up
 A But not to blow our minds

[Refrão]

E B Close your eyes, make a wish
 Dbm Lean on in for that first kiss
 A The time is right for you and I
 E To become a little more than friends
 B Let's cross that line, what do you say?
 Dbm Lose our inhibitions, get carried away
 A We can watch our love story begin
 E Oh, baby, lean on in

(E Db A)
 (E Db A)

[Segunda Parte]

E A Boy, I've been watching you for, oh, so long

E Db A Been going crazy thinking about us
 E Db A Dreaming of the day when you would take my hand
 E A Just so I could feel your touch

[Pré-Refrão]

B A Hold me in, take me away
 A To the place that no one knows
 B A So I can have you all to myself
 A Dangerously close

[Refrão]

E B Close your eyes, make a wish
 Dbm Lean on in for that first kiss
 A The time is right for you and I
 E To become a little more than friends
 B Let's cross that line, what do you say?
 Dbm Lose our inhibitions, get carried away
 A We can watch our love story begin
 E Oh, baby, lean on in
 E B Well close your eyes, make a wish
 Dbm Lean on in for that first kiss
 A The time is right for you and I
 E To become a little more than friends
 B Let's cross that line, what do you say?
 Dbm Lose our inhibitions, get carried away
 A We can watch our love story begin
 E Oh, baby, lean on in
