

Jonny Lang - Lie to me

Tom: Db

(intro 2x) Bbm Eb

Lie to me and tell me everything is all right
 Lie to me and tell me that you'll stay here tonight
 Tell me that you'll never leave
 and I'll just try to make believe
 that everything you tell me is true
 Lie to me go ahead and lie to me (2x)
 Lie to me it doesn't matter anymore
 It could never be what it was before

If I can't hold on to you
 leave me with somethin' I can hold onto
 for just a little while won't you let me be
 (solo) Anyone can see
 that you love him more than me
 But right now baby let me pretend
 that our love will never end
 Lie to me go ahead and lie to me (4x)
 (solo final)
 (até terminar a música)
