

Jonny Lang - Still Rainin'

Tom: **Ab**

(**Fm Ab Bb**) intro 4X

(**Fm Ab Bb**)
Clouds, one by one, they fill the sky
Just like these tears, they fill my eyes
Well I know by now that she ain't comin' back
And I watch my world slowly fade into black

(Refrão)
(**Fm Ab Bb**)
Look out my window, still rainin'
Look out my window, still rainin'

(**Fm Ab Bb**)
They say that time heals everything
Well I know the pain, honey, that love can bring
It don't get no better with each passin' day
Any hope I had slowly slippin' away

(Refrão)

Db
I thought the moring would rescue me **Fm**
Db **C7** **Bb**
But the rain keeps fallin' endlessly, endlessly

(Solo) **Fm Ab Bb** 4X **Fm Eb Fm Eb** (**Fm Ab Bb**) 2X

(**Fm Ab Bb**)
Sometimes I wonder what'll become of me

'Cause there ain't much left of what I used to be

Her love shone on me just like the morning light

Now here I am, alone again tonight
