                       C
Intro: D

[Primeira Parte]

C       D         Bm         E
 Let me tell you, all my friends
C         D          Bm        E
 About this joy I'm living in

[Pré-Refrão]

 C                          D
Let me take the mic, go on and testify
    Bm                    Em
How I was dead and then I came to life
C                        D
No more living in the dark of night
     Bm              Em
Now everything's alright

[Refrão]

          C   D               Bm   Em
I've been changed, I've been saved
          C   D
Brand new day
           Bm                Em
I've been changed, I've been changed
          C                      D
Tell me why would I turn back now?
           Bm                   Em
There's no end to the love I've found
          C                         D
Future's bright and there ain't no doubt
           Bm                Em
I've been changed, I've been changed

[Segunda Parte]

C       D         Bm         E
 All my heartbreak fades away
C       D       Bm               E
 Like a book when you turn the page

[Pré-Refrão]

 C                          D
Let me take the mic, go on and testify
    Bm                    Em
How I was dead and then I came to life
C                        D
No more living in the dark of night
     Bm              Em
Now everything's alright

[Refrão]

          C   D               Bm   Em
I've been changed, I've been saved
          C   D
Brand new day
           Bm                Em
I've been changed, I've been changed
          C                      D
```

```
Tell me why would I turn back now?
           Bm                   Em
There's no end to the love I've found
          C                         D
Future's bright and there ain't no doubt
           Bm
I've been changed, I've been changed

C        D
 Woo-oh, woo-oh
     Em                C
Woo-oh, I've been changed
C        D
 Woo-oh, woo-oh
     Em
Woo-oh

[Ponte]

             E
I put my hands in the air

Cause I know you're there (your love, it's something magical)
             E
I put my hands in the air

Cause you heard my prayer (a transformation radical)
             C
I put my hands in the air
          D                  Bm           Em
Cause I know you're there (I know it's supernatural)
             C
I put my hands in the air
          D
Cause you heard my prayer (wooh wooh wooh)

[Refrão]

          C   D               Bm   Em
I've been changed, I've been saved (I can feel it now)
          C   D
Brand new day (I believe it)
           Bm                Em
I've been changed, I've been changed (oh, I believe)
          C                      D
Tell me why would I turn back now? (I can feel it now)
           Bm                   Em
There's no end to the love I've found (wooh wooh wooh)
          C                         D
Future's bright and there ain't no doubt
           Bm                Em
I've been changed, I've been changed

Let me tell you now
C        D
 Woo-oh, woo-oh
     Em                C
Woo-oh, I've been changed
C        D
 Woo-oh, woo-oh
     Em
Woo-oh

[Final] C  D  Bm  Em
