

Jordan Mackampa - What Am I

tom:

A

What am I
Jordan Mackampa

Bm D Gbm A
What am I, supposed to do, supposed to do?
Bm D Gbm A
What am I, supposed to do, supposed to do?

Gbm
Another town has fallen
A
The people still are fightin'
Bm D
Their stories told in pictures
Gbm
And nothing ever changes
A
The what's the point in trying

Bm
I dream of day
D
When the walls come down

A
When the lost are found
Bm D
We thought we had it all
Gbm
But the answers
A
Are still a world away

Bm D
So what am I, what am I, what am I?
Gbm A
What am I to do, what am I to do now?
Bm D
So what am I, what am I, what am I
A E
When's there's so much to lose now?

Bm D
And so you're out there running
Gbm
Searching for a shelter

A
Only to meet nothing that wants you
Bm D
You've swam across the waters
Gbm
And travelled through the deserts
A
Trying to find a new home

Bm
I dream of day
D
When the walls come down

A

When the lost are found
Bm D
We thought we had it all
Gbm
But the answers
A
Are still a world away

Bm D
So what am I, what am I, what am I?
Gbm A
What am I to do, what am I to do now?
Bm D
So what am I, what am I, what am I
A E
When's there's so much to lose now?

Bm
We try to sympathise
D
With different walks of life
Gbm
The some that are denied
E
Every human right
Bm
But when it's so far away

Bm
But what am I
D Gbm A
Supposed to do, supposed to do?
A Bm D
What am I supposed to do?

A
Tell me

Tell me
E
Tell me

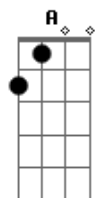

Tell me

Bm D
So what am I, what am I, what am I?
Gbm A
What am I to do, what am I to do now?
Bm D
So what am I, what am I, what am I
Gbm E
When's there's so much to lose, there's so much to lose now
Bm D
So what am I, what am I, what am I?
Gbm A
What am I to do, what am I to do now?
Bm D
So what am I, what am I, what am I
Am A
When's there's so much to lose now?

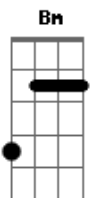

There's so much to lose
E
There's so much

(Bm Bm Gbm A)
