

# Jordan Suaste - God Or Universe Or Something Else

tom:  
**Bbm**  
 Is anybody there

The silence is so loud

On my knees and praying  
**Gb**  
 Wish you'd would make a sound

It's getting kinda dark  
**Ebm**  
**Bbm**  
 Lost inside my thoughts  
**Ab**  
 The tears that I've been crying  
**Gb**  
 Have all dried up

I'm stressed to bones, I don't  
**Fm** **Ebm**

Don't know where to go  
**Ab** **Bbm**  
 I want, someone to love me  
**Fm**  
 But I don't even know if I love myself  
**Gb**  
 Can't stand the thought of being alone  
**Fm** **Ebm**  
 So I talk to the sky, but I already know  
**Bbm**  
 Nobody's listening  
**Ab**  
 Can anyone hear me

If you're God  
**Gb**

Or the universe  
**Ebm**  
 Or something else  
**Bbm**  
 I'm begging you please send help  
**Fm**  
 I can't seem to find myself

If you're God  
**Gb**

Or the universe  
**Ebm**  
 Or something else  
**Bbm**  
 I hope that you hear me now  
**Fm**  
 I hope that you help me out  
**Gb** **Ebm**  
 'Cause I'm dying inside  
**Bbm** **Fm**  
 I'm dying inside

Send me a sign, that I'm on the right path  
**Ebm** **Bbm**  
 That I'm not losing track of myself for nothing  
**Fm**  
 Say it's all for something

Doesn't everything  
**Gb**  
 Happen for a reason

My hope, has been depleting  
**Ebm**  
 But I need to keep believing  
**Bbm**  
 One day I'll be happy again  
**Fm**  
 It'll be worth it in the end

So if you're God  
**Gb**

Or the universe  
**Ebm**  
 Or something else  
**Bbm**  
 I'm begging you please send help  
**Fm**  
 I can't seem to find myself

If you're God  
**Gb**

Or the universe  
**Ebm**  
 Or something else  
**Bbm**  
 I hope that you hear me now  
**Fm**  
 I hope that you help me out  
**Gb** **Ebm**  
 'Cause I'm dying inside  
**Bbm** **Fm**  
 I'm dying inside

I'm dying  
**Gb**  
 I'm falling  
**Ebm**  
**Bbm**  
 I'm losing  
**Fm**  
 But I'm trying

So if you're God  
**Gb**

Or the universe  
**Ebm**  
 Or something else  
**Bbm**  
 I'm begging you please send help  
**Bbm**  
 'Cause I'm dying inside this hell
