Menino, me leva pro Pelourinho

Menino, me leva pro Pelô

Menino, me leva pro Pelourinho

Menino, me leva pro Pelô

Me guia, quando eu ficar sozinho

Nos becos e guetos de Salvador

Me guia, quando eu ficar sozinho

Nos becos e guetos de Salvador

Me empresta esse dom de saber do poder

San Guiné

A cura que tantos procuram pros males do amor

Tem gente que jura por tudo que nunca provou

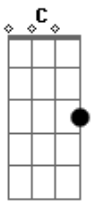

Me leva, que eu também sou de fé

Também posso tudo, se Deus quiser

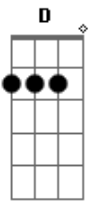

Me leva, que eu também sou de fé

Também posso tudo, se Deus quiser
