Intro: Bm7 Gbm7 Dbm7 Gbm7

Foi numa tarde de domingo  
Que alguém perguntando por ela chegou  
Deixando o meu coração tristonho  
Enciumado, morrendo de amor  
Eu falei, eu menti, eu chorei, eu sorri dizendo  
Eu falei, eu menti, eu chorei, eu sorri dizendo  
Que ela mora no meu peito  
E eu moro vizinho a ela  
E eu fico desse jeito  
Pensando nos beijos, nos carinhos dela  
Carolina, Carol, Carol, Carolina bela  
Carolina, Carol, Carol, Carolina bela  
Ca, Ca, Ca, Carol  
Ca, Ca, Carolina  
Ca, Ca, Ca, Carol  
Ca, Ca, Carolina
