

# Jorge Ben Jor - Que maravilha

Tom: A

E Gbm  
Lá fora está chovendo

Abm Gbm  
Mas assim mesmo eu vou correndo

Abm Gm Gbm E Gbm  
Só prá ver, o meu amor, o meu amor

E Gbm  
Ela vem toda de branco

Abm Gbm  
Toda molhada, linda e despenteada

Abm Gm Gbm E  
Que maravilha, que coisa mais linda que é o meu amor  
( Gbm Abm Gm Gbm )

Por entre bancários, jaruas e avenidas  
Milhões de buzinas tocando em harmonia sem cessar  
Ela vem chegando de branco, meiga, pura, linda e muito tímida

Com a chuva molhando o seu corpo lindo que eu vou abraçar

A7 Gbm A7  
E a gente no meio da rua do mundo, no meio da chuva

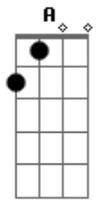

E Gbm  
A girar, que maravilha

Abm Gbm  
A girar, que maravilha

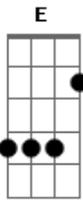

E Gbm  
A girar, que maravilha

Abm Gbm  
A girar, que maravilha
