

# Jorge Costa (O Fadista Vadio) - Palhaço Sem Futuro

tom:

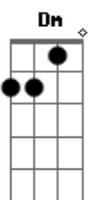

Um circo que carrega em caravana  
 As tristezas mais tristes deste mundo  
 Mas mesmo assim não perde a taprobana  
 Quando aporta na praça, Segismundo  
 Segismundo, palhaço para quem  
 Se a vida não é sonho, deve ser  
 Do contrário, não vale nem vintém

Apressem-se, não há tempo a perder  
 Venha o público rir de minha graça  
 Eu sou o Segismundo, burlantim  
 Que deseja deixar por onde passa  
 Lembrança de alegria alucinada  
 Deste sonho que teima não ter fim  
 Riamos pois, irmãos, antes do nada
