[Segunda Parte]

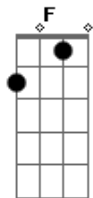

[Primeira Parte]

Inda é cedo, meu bem, pra na---vegar
 Olha a noite lá fora sem luar
 Toma com calma
 o café da manhã à me---sa
 Fica um pouquinho comigo ali na estei---ra
 Té o horizonte azul pintar no mar
 E uma rede de luz vir te pescar

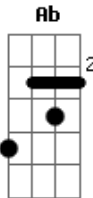

Quando a tarde cair no o---cea---no
 esta---rei lá na praia te es---peran---do
 Olhos atentos nos barcos a arfar nas on---das
 Tantos naufrágios, meu Deus, cuida de meu ho---mem
 Sou muito moça ain---da pra sucumbir
 Ante a insana dor de vê-lo partir
