

# Jorge Fidélis - Rasos Sins

tom:

Intro: **Dm G C Am Bb**  
**G G7 C C C C**

No silêncio que antecede as palmas

No instante logo após o fim

Recomeço, brilho da aurora

Reconheço um amor sem fim

Nos momentos que descrevo agora

São repletos de silêncio e fim

E dizem muito mais do que palavras

Vão para além dos rasos sins

Guarde comigo este instante

Veja como a gente pode ser feliz

Forte, corte diamante

Para além dos rasos sins

No silêncio que antecede as palmas

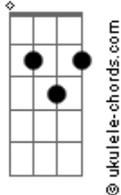

No instante logo após o fim

Recomeço, brilho da aurora

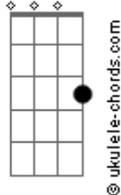

Reconheço um amor sem fim
