

## Jorge Terror - Down the road of the blues

tom:

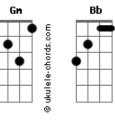

```
Dm
                              Gm
I was down at the crossroads
              Am
And got myself a deal
Down at the crossroads
I knew the blues was for real
How many more times
Will I ever sing the blues
Dm Gm
It got a hold on me
            Am
Now I can?t break free
    Bb
Down the road of the blues
Dm Bb F C
That?s the life I choose
Dm Bb F C
Down the road of the blues
Dm Bb F C
It just ain?t no use
```
