

Jorja Smith - Carry Me Home (feat. Maverick Sabre)

Tom: D

D
Midnight strikes, where is my prince? A
Bm Lost my comfort, more time to think Gbm
G Broken and bruised, tell me what I am D
G A Feel so unused, help me find your hand D

Em
I guess the sun still waits here A
Em Got to hold it up for him A

D
Carry me home
Em
Bear my weight on your shoulders Em
Bm Carry me home
A
Nothing else matters
G
Carry me home

A
Bear my weight on your shoulders
Em Gb
Carry me home and don?t let go

D
Said... Said I don?t ever say things,so you can heal A
Bm Yet I waited all for you seas to fill Gbm
G

D
Now this bottle seems to hard to place down and leave to help
G
A
And I feel like I?ve become your pain, you darlin' won?t be saved
Em
With me

Em A
I guess the sun still waits here... here
Em A
Got to hold it up for him

D
Carry me home
Em
Bear my weight on your shoulders Em
Bm Carry me home
A
Nothing else matters
G
Carry me home
A
Bear my weight on your shoulders
Em
Carry me home
Gb
And don?t let go

Em A
I guess I?m still here waiting
Em
Darling I?m sorry I tried... ?I gotta hold it up for him A
