

Jorja Smith - Fine Lines

Tom: E

Wait, my train won't leave for a minute
 No connection delays my departure from you
 Hesitating, come fall at the doors if you feel it
 'Cause we're running out of time, there's fine lines to be drawn

I see you smiling as you're talking on the phone
 Hiding your messages, but I already know that
 I'm not a part of your game

It ain't right what you're doing to me
 It ain't right, you're confusing me
 Which side of the fine lines do you want me?
 It ain't right what you're doing to me
 Can't you see you're confusing me?
 Which side of the fine line's for you and me?

Calling coins will go, but you are still on my mind
 Validate your intentions, you won't be fine
 On the other hand, you're charging world
 Maybe you'll move in single file
 'Cause I'm losing my mind, there's fine lines to be drawn

And I believed me when I said that I would row
 Snakes on the ladders, so I guess it's down we go

I've had enough of your games

It ain't right what you're doing to me
 It ain't right, you're confusing me
 Which side of the fine lines do you want me?
 It ain't right what you're doing to me
 Can't you see you're confusing me?
 Which side of the fine line's for you and me?

The doors are closing, so is this our last goodbye?
 Final curtain call before the whistle blows
 Tells us why I've got to leave, I've got to go
 I don't want to leave, don't want to go
 But it's true 'cause we both know

It ain't right what you're doing to me
 It ain't right, you're confusing me
 Which side of the fine lines do you want me?
 It ain't right what you're doing to me
 Can't you see you're confusing me?
 Which side of the fine line's for you and me?
 It ain't right what you're doing to me
 It ain't right, you're confusing me
 Which side of the fine lines do you want me?

It ain't right, now you can see
 Which side of the fine line's for you and me?
