                                    tom:
                          Am

                    [Primeira Parte]

      C7M   Bm7
I've heard it all
   Am7   C7M   Bm7
Our conversations got me feelin? I'm the fool
Am7   C7M   Bm7
Like I should've listened when they said that you
Am7   C7M   Bm7   Am7
Would treat me like you did, oh, yeah
       C7M   Bm7
Said I did it all
Am7   C7M   Bm7
Situation makes me feel I?m not a man at all
Am7   C7M   Bm7
Swore I'd be there, swore that I'd catch your fall
Am7   C7M   Bm7   Am7
I guess I couldn't handle it, no

[Pré-Refrão]

                          C7M   Bm7
And I know you probably thinkin' I ain't worth shit
      Am7   C7M
But I'd never want anyone to bring you any harm
Bm7   Am7   C7M
And I'd take it all back just to have you in my arms
Bm7   Am7   C7M
And I know for a fact who we were ain?t who we are
Bm7   Am7
We are

[Refrão]

C7M   Bm7   Am7
Don?t think you cared about me

Oh, girl, I care about you
C7M   Bm7   Am7
But you don't care ?bout nobody

Nobody but you
C7M   Bm7   Am7
Don't think you cared about me

Oh, girl, I car? about you
C7M   Bm7   Am7
But you don't care 'bout nobody

Nobody but you

[Segunda Parte]

                    C7M   Bm7   Am7
I wish I had the time   to run to you, not ruin your lif?
C7M   Bm7   Am7
I?d never wrong you twice, I wanna make things right
      C7M   Bm7   Am7
And maybe,   you'll take me
                C7M   Bm7   Am7
Hope you don't hate me
C7M   Bm7   Am7
Don't want to fight anymore

Daytimes are silent as hell
C7M   Bm7   Am7
I wish that I could ignore all that you said
                    C7M   Bm7
If you can't find the time or space
                    Am7
Then I don't have the words to say
              C7M   Bm7
I wonder if the only peace we'll find
        Am7
Gonna be when you tell me, "Goodbye"?
